

## Doha Golf Club

### LET US...WELCOME YOU

DOHA Golf Club, located in the exclusive West Bay area of Doha, boasts two immaculate golf courses; one of which is home to the annual European Tour Commercialbank Qatar Masters and the other is a fully floodlit 9 hole course. Designed by Peter Harradine, one of the world's leading golf course architects, and unveiled in 1997, the 7,374-yard 18-hole Championship Course and floodlit 9-hole Academy Course provide a variety of challenges that will appeal to both the novice golfer and the seasoned professional.

As soon as you enter the Arabian-style clubhouse, with its marble interiors and outdoor terraces, one can feel the luxurious comfort of home. It features handmade gypsum, traditional artifacts and solid teak doors imported from Thailand and hand-engraved in Doha. Beautifully crafted marble, internal waterfalls and a central fountain create a cool and welcoming atmosphere.

### LET US...SERVE YOU

The clubhouse of Doha Golf Club is home to some of the town's most popular dining venues. The unique atmosphere makes Doha Golf Club an absolute must for residents, business people and tourists visiting Qatar. Each restaurant reflects an ambience of its own which is quite evident in the thoughtfully designed decor, the specially prepared menus and the friendly and attentive staff.

The clubhouse's first floor houses the Oasis Lounge, where members and their golfing guests can relax after their game and enjoy a snack or light meal in a friendly and comfortable surrounding, overlooking the stunning views of the 18-hole Championship Course.

Spikes Lounge is legendary for its upbeat yet relaxing atmosphere. Idyllically located on the Clubhouse's ground floor, this fusion between bar and club portrays modern as well as chic interiors and an outdoor terrace overlooking the magnificent vista of the 9th and 18th greens, creating a perfect setting to grab a bite to eat or socialize with friends.

### LET US...TEACH YOU

The award winning Golf Academy offers professional coaching, a simulator lounge, coaching studio and a SAM putting lab. The Academy brings together a team of dedicated PGA teaching professionals with a wealth of golfing knowledge and experience from some of the world's most exclusive golf clubs. The Academy aims to help golfers by using this professional knowledge, hi-tech equipment, good communication skills and the simplest and most effective teaching methods making it easy and fun to learn the game.

The Driving Range covers a large area of 375 yards and is over 200 yards wide. The teaching area is reserved for private lessons with our PGA Professionals and the range is open to visitors and members alike.
