Golfing World visited the RIU Pravets Golf and Spa Resort, just outside Sofia in Bulgaria, to take a look at the UniCredit PGA Professional Championship of Europe: the premium event on the PGAs of Europe calendar.

The event was relaunched after 6 years absence after negotiations between Braemar Golf, the PGAs of Europe and the owners of Pravets Golf & Spa, who put their trust in Braemar Golf to deliver an event that met their objectives for the resort. Along with the main sponsors, UniCredit, the event exceeded all expectations with the championship between won by Hugo Santos from Portugal.

Jonathan Pendry, Golf Courses Director of Braemar Golf comments "The PGAs of Europe have been delighted with the condition of the golf course and the wider resort facilities. I am proud of the whole team led by our Director of Golf, Alan Rogut. This event has truly placed Bulgaria on the international golf stage and we as a company are proud to have been part of this".
