

Tony Johnson Claims 10th Harradine Cup Victory

Regular Al Hamra participant Tony Johnson claimed victory in the Harradine Cup after a solid score of 39 points. The annual event celebrated its 10th birthday and was once again kindly sponsored by Peter Harradine and Harradine Golf who designed and built Al Hamra back in 2007. The generous support meant there were fantastic prizes on offer along with a sumptuous BBQ presentation buffet. Peter's son Michael was on hand to receive the thanks as well as hand over the coveted and beautiful Harradine Cup trophy to the winner.

With nines of 19 and 20 points Tony had to come through a card play-off with eventual runner-up Riaz Khan who also produced an identical great score of 39 points. The gruelling card play-off came down to the final 6 holes in which Tony carded 3 net birdies and 3 net pars for 15 points, bettering Riaz who only managed 11 points over the final 6, including an unfortunate triple bogey on the 16th. The third and final of the main prizes went to Al Hamra member Tracy Scott, who was thrilled with her score of 38 points in an extremely consistent round where she dropped shots on just two holes.

The 4 special events were picked up by Marty Brown on Hole 4, Wilma Fernandes on Hole 7, James Littlewood on Hole 11, and Matt Osborne on Hole 15.

A huge thank you goes to Harradine Golf and Orient Irrigation whose continued support sees the Harradine Cup continue to be one of the key events in the Al Hamra Golf Club calendar.
