

JEBEL SIFAH GOLF COURSE BRINGS NEW PERSPECTIVE

September 25, 2017

Muscat -

The Jebel Sifah Golf Course is home to nine spectacular holes of golf set amidst the timeless Al Hajjar Mountains. Staying true to Harradine Golf's philosophy of integrating local topography into the overall design. This meticulously planned course, under management guidance by Troon International, brings a new perspective to the great game.

Stunningly beautiful, yet equally challenging, each hole offers a distinct set of experiences, moments and settings golfers will find rewarding every time they play.

Measuring a championship length of 7,268 yards, the course can also be leisurely enjoyed down to 5,686 yards from five different sets of tees on each hole, designed to challenge players of every ability level.

Stay and Play Packages start from RO45 per person per night based on two people sharing.
